

# PERMA Capitals and Bases

Choosing the right cap and base for your columns is as important as the selection of the column itself. The right cap and base can define the style of the front porch and create an atmosphere that complements your lifestyle. The cap and base options offered by HB&G are shown on page 9. Please refer to the following data that corresponds with your cap and base selection to ensure that you end up with the products that work best for you. Our polyurethane caps and bases are PermaPrimed.

## CAPITAL AND BASE OPTIONS

Most capitals and bases for PermaCast® columns are made of polyurethane and are decorative. The shaft fits through the center of the capital and base and does not alter the height of the shaft. Ornamental capitals for round PermaCast® columns will alter the height of the shaft.

## TUSCAN CAP AND BASES

The Tuscan style is standard and best complements the PermaCast® column. The Tuscan is available for all round and square shafts. For dimension see pages 10, 11, 12, 13, 14, and 18.

## ORNAMENTAL CAPITAL

Five styles of ornamental capitals are available for all round and square shafts. Using an ornamental capital with a round PermaCast® shaft will alter the height of the shaft. Ornamental capitals do not alter the height of the shaft when used on a square PermaCast® Column.

## ATTIC BASE

Attic Bases are used for a more ornate look and come in 1 or 2 pieces depending on their size.

## COLONIAL CAP AND BASE

Referred to as our low profile cap and base, the Colonial are designed specifically for use in applications where railing will be attached to the column. Available for PermaCast® round and square shafts 6"-12".

## FIBERGLASS BASE

The fiberglass base is manufactured from the same materials as the shaft and is available for Round PermaCast® shafts 8"-14" only. It is designed to be used in high traffic areas.

## PERMATUFF® CAP AND BASE

A durable hard shell base combined with a poly cap. Designed for high traffic applications. Available for PermaCast® round shafts 8"-12".
