Finish:

HB&G warrants that the finish it has applied to the product will be free from defects. When used for its intended purpose, properly installed and maintained according to HB&G’s installation instructions, for a period of 10 years from the date of shipment (a) will not peel (b) will not chip and (c) will not crack. This Warranty does not cover against fade or chalk of the Finish due to normal weathering. Normal weathering means exposure to sunlight and extremes of weather and atmosphere, which will cause any painted surface to gradually fade, chalk or accumulate dirt over time. This Warranty will cover HB&G’s finish against excess color change beyond normal weathering. Excess color change means a change in color of HB&G’s Finish by greater than four (4) delta E units. HB&G shall have the sole discretion to determine whether the Product exhibits excess color change.

Only “finishes” applied by HB&G are covered under this Warranty; for purposes of this Limited Warranty, “finish” means any paint or coating or cap stock applied by HB&G. With respect to any paint or other coating applied to the Product after shipment by HB&G, Original Purchasers must look to the warranty or warranties, if any, of the paint or coating manufacturer of such paint or coating for recourse as to defects or any other issue concerning such post-shipment, applied coatings.
