THE GREATER OUTDOORS

HB&G BUILDING PRODUCTS

Outdoor Living products from HB&G are the perfect way to complement your home construction projects with value-added structures. Designed for both beauty and strength, the materials used in our Pergolas, Arbors, Eyebrow Trellises and Privacy Screens are the same that we use in our structural columns. Featuring low-maintenance Fiberglass materials, issues like splitting, cracking, checking and corrosion disappear. Your only worry is who to invite to enjoy your space first.

- **Fiberglass products offer the highest durability.**
- **Prefinished with a superior engineered coating.**
- **Customization options make each product unique.**
- **Product shipped kitted for easier installation on site.**
